

Gauge Protectors

GENTEC Gauge Protectors Designed for Industrial Gas Regulators

- Durable Metal Construction
- Color-Coded
- Powder-Coated Finish
- Reduce potential damage to pressure gauges
- Easy to install and remove from regulators
- Regulators may be ordered with gauge protectors attached (see charts for model numbers)
- Interchangeable with other major brands

Note: Gauge Protectors are not designed to replace or alleviate the need for proper cylinder storage systems. Cylinders should always be used and stored in conjunction with local and OSHA requirements. Consult with your Safety Department or Cylinder Gas provider for additional information.
